- Notify both the pro shop and a member of your foursome if you are unable to keep your starting time on the play day.
- Fivesomes are not permitted.
- Winter rules (improving your lie within six inches in like conditions - for example: if you are in the rough, you have to play from the rough) will apply to all tournaments.
- If you do not have a full team for team events, keep a scorecard with appropriate "pops", and the Tournament Committee will supply a blind draw.

NOTE: There is no provision for a blind draw in Chapman, Scrambles, and Shambles.

SIGN-UP PROCEDURE

- On-line sign-ups are available up to a month in advance using www.golfgenius.com and sign in with the GGID RW2023

RWGC STANDING RULES

(Revised 2023)

USGA Rules will govern all play except as modified by local rules or such temporary rules as determined by the Rules Committee and approved by the Board of Directors.

ELIGIBILITY

Players must:

- Be at least 18 years of age.
- Must have USGA handicap. To obtain this handicap, USGA requires a minimum of three 18-hole scores to be posted within the past 24 months.
- All players will play with their full handicap.

WEEKLY TOURNAMENT PLAY

Awards

- Prizes will be awarded to 1/3, or a fraction thereof, of each flight.
- There will be a minimum of one gross and one net prize per flight.

Scorecards

- Each group will have one scorecard.
- One player in the group will keep the official scorecard. Each player is responsible for keeping her own score to check against the official score.
- In the case that a player does not complete a hole, the score keeper shall record an X for that hole.
- Each player must check her hole-by-hole score with the marker to ensure that an accurate score is recorded. Failure to do so may result in disqualification.
- Scorecards must be signed by the player and attested by the marker.
- Signed and attested scorecards should be turned into the tournament committee immediately after the round. Failure to do so may result in disqualification. Any player leaving the premises without turning in her completed scorecard may be disqualified.
- Incomplete or incorrect cards may be disqualified.
- The tournament committee will break ties according to USGA recommended method in the USGA Handicap System and Golf Committee manual.

Flight breakdown

- Flight distribution and the number of flights will be determined each week according to the handicaps of participating competitors. The maximum number of flights will be six, but may be fewer depending on the number of competitors.

Pace of Play

- Each group should keep up with the group in front of them. Allow faster groups to play through. Players are encouraged to play “ready golf” whenever possible.

Posting Scores

- The Handicap Committee will post all weekly tournament scores.
- All other adjusted gross scores obtained through play at any course during the GHIN posting season must be posted on the computer at the course or on GHIN.com
- If a player plays thirteen or more holes for an 18-hole score or seven or more holes for a 9-hole score, for handicap purposes, her score on holes not played shall be PAR plus any handicap strokes she is entitled to receive on the hole.
- If a player starts but does not complete a hole, she shall record, for handicap purposes, the score she most likely would have made if the hole had been completed, but such score shall not exceed Net Double Bogey.

SILVER TEES

- Silver Tees will have their own rating. Players can opt to play the Silver tees every week or from time to time as they choose. There will be a box on the scorecard in line with their names that needs to be marked if the player is playing the Silver tees that week.
- Silver Tee players are in a separate competition from the Red Tee players. A portion of the weekly payouts will be allocated to the Silver Tee players equal to the percentage of Silver Tee players to the total number of players that week.
- All players with a handicap above a 36 are encouraged to play the Silver Tees to help with pace of play.

Club Championship

- The tournament committee shall set dates, starting times, and deadline for entries in the tournament.
- The tournament will be 36 holes of flighted stroke play.
- Flight breakdown will be the same as weekly tournaments.
- USGA and local rules shall apply as set forth by the Rules Committee.
- The player recording the lowest gross score will be Club Champion. The player recording the lowest net score will be Net Champion.

Eligibility

- Player must have played a minimum of 5 rounds on RWGC play days during the current season.
- Player must be a member in good standing (dues paid 60 days prior to the first day of the tournament).
- Player must have an established USGA handicap; past record of 20 18-hole scores played in the last 24 months.
- Players will play with full handicap.

Pairings

- First Day: Players will be paired according to handicap index within flights.
- Second Day: Players will be paired according to gross score.

Awards

Awards per flight

- Prizes will be awarded to (1/3), or a fraction thereof, of each flight.
- Gross and net position shall be paid equally.
- A player is entitled to only one prize.
- The Club Champion and Net Champion will receive equal prizes.

Ties

- Club Champion (gross and net) will be determined by a sudden-death play-off, starting from a designated hole.
- All other ties will be determined by using the USGA recommended method per the USGA Handicap System and Golf Committee Manual.
- Scorecards will be kept as in weekly tournament play.

Silver Tee Championship

- A member can choose to play a one-day Silver Tee Championship.
- That round will be played on the first day of the two-day regular club championship and consist of 18 holes played from the Silver Tees.
- Payout amounts to Silver participants will be determined by the percentage of the total number of participants of the Championship Rounds and reduced by 50% as they are playing ½ the holes.
- To be eligible for the Silver Tee Championship, players must play a minimum of 5 rounds on regular play days from the Silver Tees.

USGA & LOCAL RULES

- Preferred Lies: May be played at the discretion of the Tournament Committee. During this time the player may improve the lie of her ball within a scorecard length and **in like conditions** through the general area.
- Lost Ball: Rule 18.1. The player is encouraged to play a provisional ball if she thinks her ball may be lost outside of a water hazard.
- Embedded Ball: Rule 16
- Putting Green: Rule 13. The player may touch the line of play. What the player is allowed to repair on the green: See Rule 13.1c(2)
- Penalty areas (water hazards/lateral water hazards): Rule 17.
- Out of bounds: Rule 18. Defined by all perimeter fencing on the course and white stakes and/or lines on holes 1, 9, 10, 14, and 18.
- Doubt as to procedure: Rule 20.1c(3). A player unsure of her rights or procedure may play out the hole with 2 balls. The player must declare her intention to invoke this Rule and which ball will be counted (at the time of invoking the Rule) if the Rules permit. She must report facts to the Tournament Committee before signing and returning her scorecard.

Failure to do so may result in disqualification. The RWGC Tournament Committee will make the final decision.

- Yardage markers on the course are deemed equipment and if your ball rests on or the marker impedes your swing, you are entitled to free relief per rule 16.
- Obstructions: Rule 15 and 16. Relief is available under these Rules for all concrete walls, staked or tagged trees, all roads and cart paths on the Course, and the protective fence behind #10 green.
- Abnormal ground conditions: Rule 16. Ground under repair is defined by white lines or stakes. It includes equipment and cart ruts, newly seeded or aerated areas in the cut of the fairway of the hole being played, ***even if not so marked***.
- Stones in bunkers: Rule 15.1 (Loose impediments). Stones in bunkers are moveable obstructions. If a stone or pebble impedes your swing or follow-through in the bunker, you may remove it without penalty.
- Cell phones: As a courtesy to others, please refrain from using your cell phone on the golf course.

NET DOUBLE BOGEY

For posting purposes, the maximum score a player can take on any hole is Net Double Bogey. Net Double Bogey is defined as double bogey plus any strokes (pops) a player gets on the hole.

Example: Washoe #1 (par 4)

- Player A gets two strokes or pops. Double bogey on a par 4 is 6. Add her 2 strokes, so the maximum score she can take is 8.
- Player B gets 1 stroke. The maximum score Player B can take is double bogey plus 1. She can take a 7.

NORTHERN NEVADA POSTING DATES

- Posting begins March 15th and ends November 30th.
